Critique 20 April 2013

The Cairn Terrier Club held an 80th anniversary ch show where **BIS was Ch Tribannon Guardian Angel**; RBIS, Birselow The Thrill Of It All; BP, Tweslam Jazzing It Up at Calamondin; & BV, Ch Larchlea Remember Remember.

A beautiful & delicious cake was shared during the lunch break to celebrate the occasion. We started the day with a silent tribute to Fiona Cameron.

The entry, as is the way these days, was not large & I was surprised at the diversity in size & substance of exhibits, especially among the males. I did find a couple of bad mouths & one with missing teeth. Some exhibits could have been presented with much cleaner coats even though they were trimmed very well. When asked to move in a triangle, please do so! Temperaments were excellent & apart from one or two, movement was not that bad.

VB (4) 1 Templeton's Ch Larchlea Remember Remember, very dark with good head & expression, good size & balance, good bite, moved well with lots of energy. BV;

2 Ball's Tweslam Izzy Wizzy Get Bizzy, red, good head, moved & showed well, enjoying her day out;

3 Jennings' Doonrae Zestful.

Vintage (2) 1 Berrecloth's Ch Sybster Spring Time, strong dog with masculine head, moved well, muscled & in hard condition, really showed off, enjoyed himself;

2 Berrecloth's Sybster Spring Into Summer, littermate to 1 & very similar, remember her as a puppy when she had a mishap in the ring! Liked her then & like her now.

MPD (2) 1 Mears' Glenmear Magee, light r/br, liked his head with stop & well placed, neat ears, good size, very much a baby & wanted to play – & why not? Will need to harness his enthusiasm, should do well;

2 Carter's Cloverbrook Top Of The Bill at Carernwil, well made wheaten baby, nice head, good mouth, moved well. Needs more confidence but still so young.

PD (1) 1 Mears' Glenmear Getylee Looks Like Fun, kennelmate to MP winner, heavier made, liked his shape & his head, bursting with energy, moved with drive.

JD (2) 1 Catto's Birselow The Thrill Of It All, really impressed with this smashing r/ br youngster, head excellent, dome & stop, dark eye, flowed from nose to tail, spirit level topline, in good coat, never stopped showing & alert at all times. CC & RBIS; 2

Waugh's Tribannon War Dance, light red, pleasing head & expression. Not enjoying himself – maybe it was the mat. A shame as very well put together.
