

## Cairn Terrier Club Championship Show. March 26th 2017. Crawfordjohn, Scotland.

Thank you to the officers and committee for their invitation to judge this show. I am very proud and happy. It was a big honour for me. Thank you to my stewards, Adam Wallace and Betty Shaw. Also a big thank you to John and Mary Middlehurst for travelling up to Edinburgh to meet us and be our chauffeur on the day.

It was my very first trip to Scotland but I will definitely come back to see more of this lovely country. Thank you also to the exhibitors, many of whom had travelled long distances to attend and giving me a good entry. I hope you had a good day and enjoyed it as much as I did. I found the overall quality quite good even the fashion of grooming is different from the Scandinavian and U.S countries. I like the more relaxed grooming and less products. I found the ribcages depth and forechest were better than when I judged an open show in 2012.

I found a few heavy shoulders, some lack of teeth but mostly I liked what I saw. Hind angulations were mostly correct, coats were good and double. I loved the small ears and short tails. Quite a few had very long nails (not good for the stance or movement).
