Grace Maran, Animal Portraits Artist

About: Grace is a Scottish artist based in Edinburgh with a degree in Drawing and Painting from Edinburgh College of Art. She specialises in animal portraits.

Grace works closely from one photograph and offers a painted portrait or a drawn portrait. She paints with acrylic on canvas and for the drawings, water soluble coloured pencils on paper.

Grace's style is expressionistic, painterly and has a stylised feel which captures the animal's character and spirit as well as being beautiful piece of art. Please view her work to see if you like her artistic style and read customer testimonials at www.gracemaran.com

Please feel free to contact Grace for a no obligation consultation. She is also happy to meet and photograph your pet especially for the portrait.
