CAIRN TERRIER CLUB LIMITED SHOW SUNDAY 16TH JUNE 2013.

It was a great pleasure to be invited by the officers and committee of the Cairn Terrier Club to judge the Limited show and take part in the fun day. It was a lovely sunny day and in a beautiful area of Scotland, the atmosphere was friendly and dogs and owners seemed to enjoy their day. Thank you to Betty Shaw for her stewarding expertise and to the CTC for a lovely gift.

I have always felt that member's limited shows are a great place to start on the "showing" side of our lovely breed where a friendly atmosphere along with experience from other members gives a helping hand to hopefully many years of a super hobby.

Minor Puppy Dog (0)

Puppy Dog (0)

Junior Dog; (2)

- 1) Shaw's Honeyhall Headboy; Striking red/brindle dog with a strong head, correct eye colour and good mouth, clean outline with super flow of neck into well set shoulders. True showman even at this age. B.D & B.I.S
- 2) Kirkcaldy's Cornton Fergus; Brindle dog, of size, good head, needs to carry a little more weight to complete the picture, moved ok when settled, both handler and dog became more confident as the day went on.

Novice Dog; (1)

1) Kirkcaldy's Cornton Fergus.

Post Graduate Dog; (3)

1) Miller's Cornton Coulter; Red brindle dog with a lovely outline. Good head with strong teeth, clean shoulders and moved well, responded well to his handler.

2) Burr's Strathview Country Squire; Masculine dark brindle dog of correct size, good head with a pleasing expression, good length of neck, moved well.

3) Fortune's Eglsh Spitting Image with Essdeeeff.

Open Dog; (2)

1) Lamb & Saltmarsh's Birslaw Fable SHCM. Brindle dog, good head and expression, good dentition, moved ok when settled and on a looser lead.

2) Fortune's Eglsh Willies Wee Man with Essdeeeff; Red brindle dog shown in good coat, strong head and moved well for his handler, carrying a little weight which affected his outline.

Special New Members Dog or Bitch (0)**Veteran Dog or Bitch; (2)**

1) Berrecloth's Sybster Spring into Summer SHCM. 10yr old dark grey brindle bitch, a credit to her mature years, lovely head with a very feminine outline, moved freely around the ring. A lovely coat and well presented.

2) Dawson's Sybster Summer Nights; 7 ½ yr old clear wheaten bitch, smaller in size than 1, pretty head, neat ears..

Minor Puppy Bitch; (0)

Puppy Bitch; (1)

1) Berrecloth's Sybster Sanderoma. Pretty wheaten puppy bitch, correct eye colour and shape, nice stop, clean neck and shoulders, well muscled loins, moved with drive for one so young. B.P.B & B.P.I.S

Junior Bitch; (1) (1 abs)

Novice Bitch; (3) (1abs)

1) Catto's Birselow Give Me A Break. Pretty dark brindle bitch, lovely outline and size, expression to die for, neck flowed into well set shoulders, moved freely, confidence will come and she knows it!

2) Berrecloth's Sybster Sanderoma;

Post Graduate Bitch; (6) (4 abs)

1) Berrecloth's Sybster Scarasta. Wheaten bitch, lovely head with neat ears, level topline, moved well, very smart and a happy young lady.

2) Watt's Birselow Bedazzled To Jancairn. Wheaten bitch with new coat coming through, correct head and eye colour, moved ok, carrying a little too much weight for me, attentive to handler.

Open Bitch; (3) (2 abs)

1) Catto's Birselow Groovy Kind Of Love. Wheaten bindle bitch of super quality, beautiful head with lovely dark eyes, clean outline with excellent reach of neck with lovely lay back of shoulders, moved with drive. Although stood alone in this class she was a very worthy Best Bitch and R.B.I.S.
