

Norma Newton (Strathinver)

I became a member of The Cairn Terrier Club in 1969. Mr Alick Hogg was the Club Secretary then.

I have had my Strathinver Affix for over 45 years.

My foundation bitch was Greetavale Suzette purchased from Albert Cooper.

My first litter from Suzette by Ch. Felshott Winetaster produced CH. Greetavale Super Honey & Strathinver Red Rogue JW. 1CC & 2RES CC'S.

Our first CH Show was Manchester, where Red Rogue won 3 classes and the Reserve CC while still a puppy!

I was of course "hooked" on cairns and showing then and I have been lucky enough to show every year since with some success and several champions at home and abroad - the best known probably Ch. Strathinver Red Rufus.

I started judging in 1974 and have awarded CC's in Cairn Terriers since 1986, judging Cairns at Crufts in 2011. I also give CC's in Norfolk and Norwich Terriers and have had the pleasure of judging abroad many times.

I consider judging Club Shows as a great honour and look forward to meeting your cairns at our Club Show.
