

Pedigree Paws Unite

I am taking part in the Pedigree Paws Unite Dog Walk on 17th September to represent the Cairn Breed in Scotland, and raise money for charity.....

It is a charity event involving all 216 recognised breeds of dog in the UK walking 160 miles in 7 locations across the United Kingdom in September 2016.

The "Scottish" bit is along the Union Canal between Edinburgh and the Falkirk Wheel.

Further details can be found here...

Each breed needs to raise a minimum of £150 to send to the PeekABoo Trust which then distributes the money to seven separate charities.

To donate on-line please use the following link to "my page":

Cairn folks have huge hearts, let's see how much we can raise, and once details of the walk are finalised, come along and support the Cairn Terrier Breed in Scotland.

Thank you. **Arlene**
