

## Buying a Puppy and your Puppy Pack

### What to expect

#### What to expect if you enquire about purchasing a puppy

---

The Breeder will ask you questions prior to agreeing to you viewing a litter of puppies.

You will be asked more questions and you will be assessed to see that you are the right person to adopt a Cairn Terrier.

A Breeder of good standard wants to ensure each puppy goes to the right forever loving home.

#### What puppy buyers should expect to receive from the Breeder in their Puppy Pack

---

- ✓ Kennel Club registration document
- ✓ At least 3-generation pedigree
- ✓ At least 4 weeks free insurance
- ✓ Receipt for payment
- ✓ Diet sheet and follow-on advice on feeding
- ✓ Several days' supply of the food puppy has been eating
- ✓ Bile acid test result with explanation if necessary
- ✓ Info on training and socialisation. (with helpful handout leaflets as applicable)
- ✓ Microchip document
  - As from April 2016 all puppies must be **micro chipped** before leaving breeder.
  - It is very important that the new owner(s) register their details with the microchip database and update as necessary.

**KC Website factsheet:** <http://www.thekennelclub.org.uk/microchippingfactsheet>

- ✓ Worming details and advice on future worming
- ✓ If registration is endorsed either '**progeny not eligible for registration**' or '**progeny not eligible for export certificate**,' buyer must be informed and sign to confirm they have received this information.
- ✓ Many breeders – and all KC Assured breeders – will provide a contract of sale.
  - Advise to read thoroughly before signing.

## What a Breeder might give you as handouts in your Puppy Pack to inform and advise you

---

- ✓ Information about Breed Club.
- ✓ Make you aware of The Cairn Terrier Club Web site and the information available to you.
- ✓ General information on “how we can help” in the future.
- ✓ Information about the purpose of the Health Group and how it can help you.
- ✓ Your Breeder will explain and inform you of any activities/events run by the Cairn Club.
  - Two Cairn Terrier Club Shows per year and a CTC Cairn Family Day.
- ✓ Your Breeder will include handouts on any other relevant information that might be useful.
- ✓ This could include information on Dog Training and/or the Kennel Club website that offers advice and assistance on many topics.

## General support and follow up advice

---

Most Cairn Breeders are available to give follow up advice, should you require it, once you have your puppy home.

Our CTC Breeders take time to ensure they breed healthy, happy Cairns of good temperament.

We wish you a happy Cairn experience with “The Best little Pal in the World”.
